# Putter Heads

## Traditional Rubber Head –

Back by popular request. No sight line. Softer than urethane – but still don't want to get hit with one!

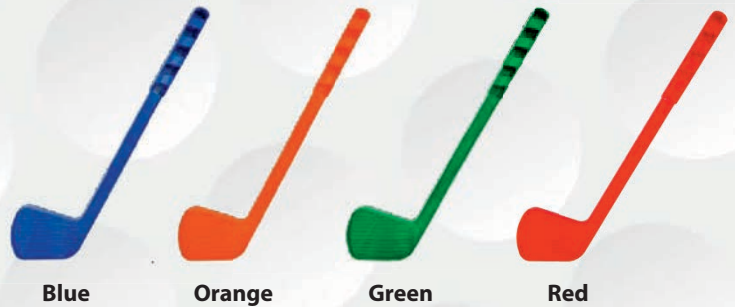

## Urethane Head –

Not only do our colorful and durable urethane putter heads reduce wear and tear on your carpet and obstacles, but SGD urethane putter heads are MADE IN THE USA!

With handy sight line, true putter weight and colorful urethane molded over a zinc core, our high quality putters quickly became an industry standard for courses around the world.

# Kiddie Putter

This 19 1/2" putter helps keep the fun going for everyone in the family. Designed for very small children.

# Putter Grips

# Course Supplies & Accessories

## Litter Baskets

9 and 30 Gallon w/Base or Spike. These Litter Baskets with BASE help keep your course and grounds free of litter. They come with a heavy-duty steel base. Finished with rich, durable powder-coat finish for reduced weathering. Constructed with 20-gauge stainless steel webbing.

## Bench Ends (Pair)

Our Bench Ends assemble in minutes with no special tools. They come in Hunter Green, Granite Gray, Brown, White, Black or Sandstone. Constructed of durable, weatherproof polyethylene plastic, they'll last a lifetime of tough abuse. Their permanent, non-painted color won't chip or fade. Easy assembly. Select five 2 x 4s (4" to 6' long) of any type wood (*not included*). Maximum suggested length of a bench is 6'.

## Obstacles Yellow Steel Loop

- Durable Heavy Duty Cold Rolled Steel
- 17 gauge Steel Loop
- Bright Yellow - Powder Coated
- Dimensions 26 x 32 x 36

## Pond Dye & Maintenance

### Microbe-Lift Bio - Blue

Specially Formulated to Safely Color Lakes, Lagoons, Decorative Ponds, Fountain & Water Features a Beautiful Shade of Blue!

A product that safely colors water while its enzymes assist the beneficial bacteria in your pond to create a healthy pond environment.

- Will not stain birds, fish, pond rocks or most concrete fountains once diluted.
- Safe for humans, plants and aquatic life.
- Mixes completely in hours.
- 1 Gallon Treats up to 64,000 gals.

### Pond Dye

For color enhancement in ornamental ponds such as fountains, golf courses water holes and other similar water bodies - use one quart per acre foot of water. Safe for fish, animals and plants.

**SUPPLYING FUN**  
FOR OVER  
**60 YEARS!**

*We make it easy to be in the Fun Business!*

The roots of SGD Golf go back to 1961 when it started as a family business to supply miniature golf courses across America. It quickly grew to become the industry leader in delivering high quality products to Miniature Golf and Family Entertainment Centers around the world.

The success of SGD was built upon offering only high quality products, competitive prices, attentive personal service, and speedy shipping.

Today, SGD Golf has established itself as the go-to company for miniature golf course needs.

We know that by holding fast to our first principles of providing quality products, competitive pricing, caring service and same day shipping, SGD Golf will continue to be a leader in supplying Miniature Golf and Family Entertainment Centers in America and around the world.
